

B	I	N	G	O
The baby cries	Someone spills something	Someone loses a sock	A cell phone rings	You see a bird
The van gets too hot	You see a car with an out of province plate	You play "I-spy" with your sibling	You put something in the garbage	Mom tells a story
Someone tells a joke	You find something that someone else has lost	You get hungry	The van gets too cold	You know where all your crayons are
Someone says please	You pick a song to listen to	You listen to an audiobook for at least 10 minutes	You make up a riddle	Someone says thank-you
You don't lose anything at the rest stop	You see an animal outside	You see a car with more people in it than we have	We pass someone on the highway	You see a sign with a city name you have never been too before
